SUMMARY OF BILL: Prohibits schools, local education agencies (LEAs) and associated boards and employees, and charter schools and their governing bodies, from assisting a current or former school employee in obtaining a job at another school for any position that involves direct contact with minors or students, if the school, director of schools, local board of education, or governing body of a public charter school is on notice, or has reasonable cause to suspect, that the current or former school employee has committed an act of misconduct. Requires each school, local board of education, and governing body of a public charter school to create and maintain, as part of a school employee's personnel file, a written record of all incidences of misconduct reported against the school employee. Includes protections for reporters of misconduct from liability.
